LET'S MAKE!

A BUNNY HEADBAND

We're all ears! Have a hoppy good day with this egg-stra special Alice bunny headband craft for kids (and Kidults).

INSTRUCTIONS

Step 1.
Cut out bunny ears (A+B and A2+B2) and the headband strips (C+D).

Step 2.
Bunny Ears Assembling
Cut pipe cleaners to the same height as the ears. You can add pipe cleaners to the back of your ears to help you control them. You can keep them nice and upright and give them a little bend at the top. Just cut out two pieces of pipe cleaner, one for each ear, to approximately the same height as your bunny ears.

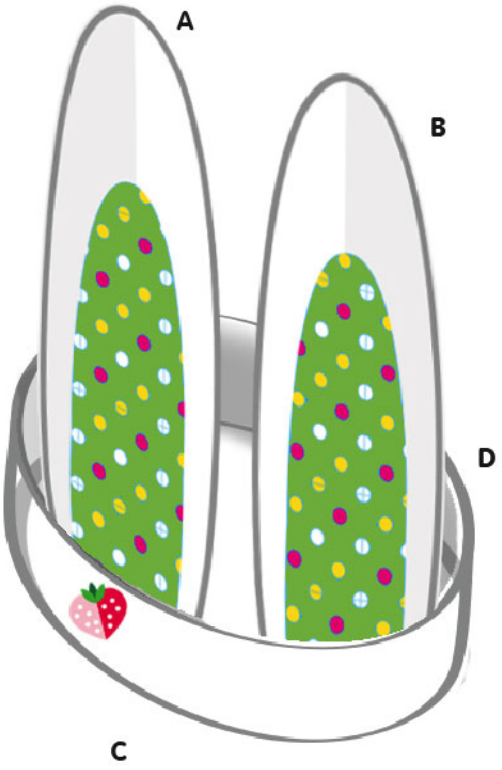

Secure a pipe cleaner to the back of each of your bunny ears with tape or glue.

Step 3.
Glue backs of bunny ears (A2+B2) to the back of A+B, covering the pipe cleaners.

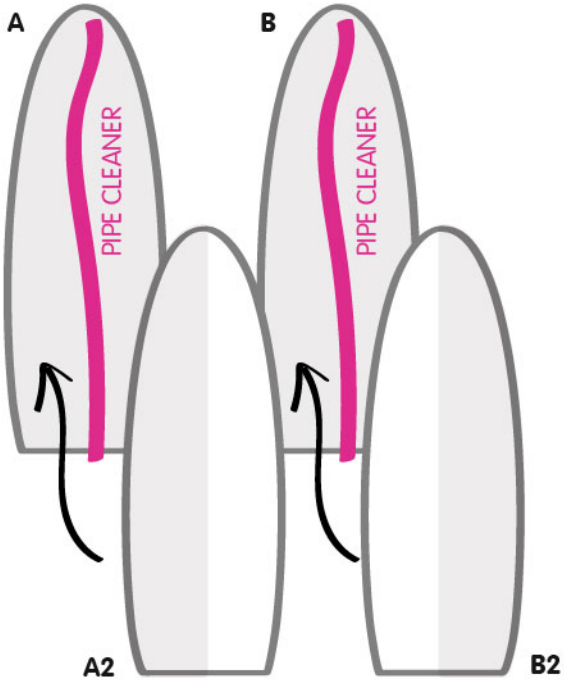

Step 4.
Now stick the ears to the headband. Glue (or use double-sided tape) to bottom of ears and place paper strip on top to create headband.

Step 5.
Decorate and colour the headband however you like!

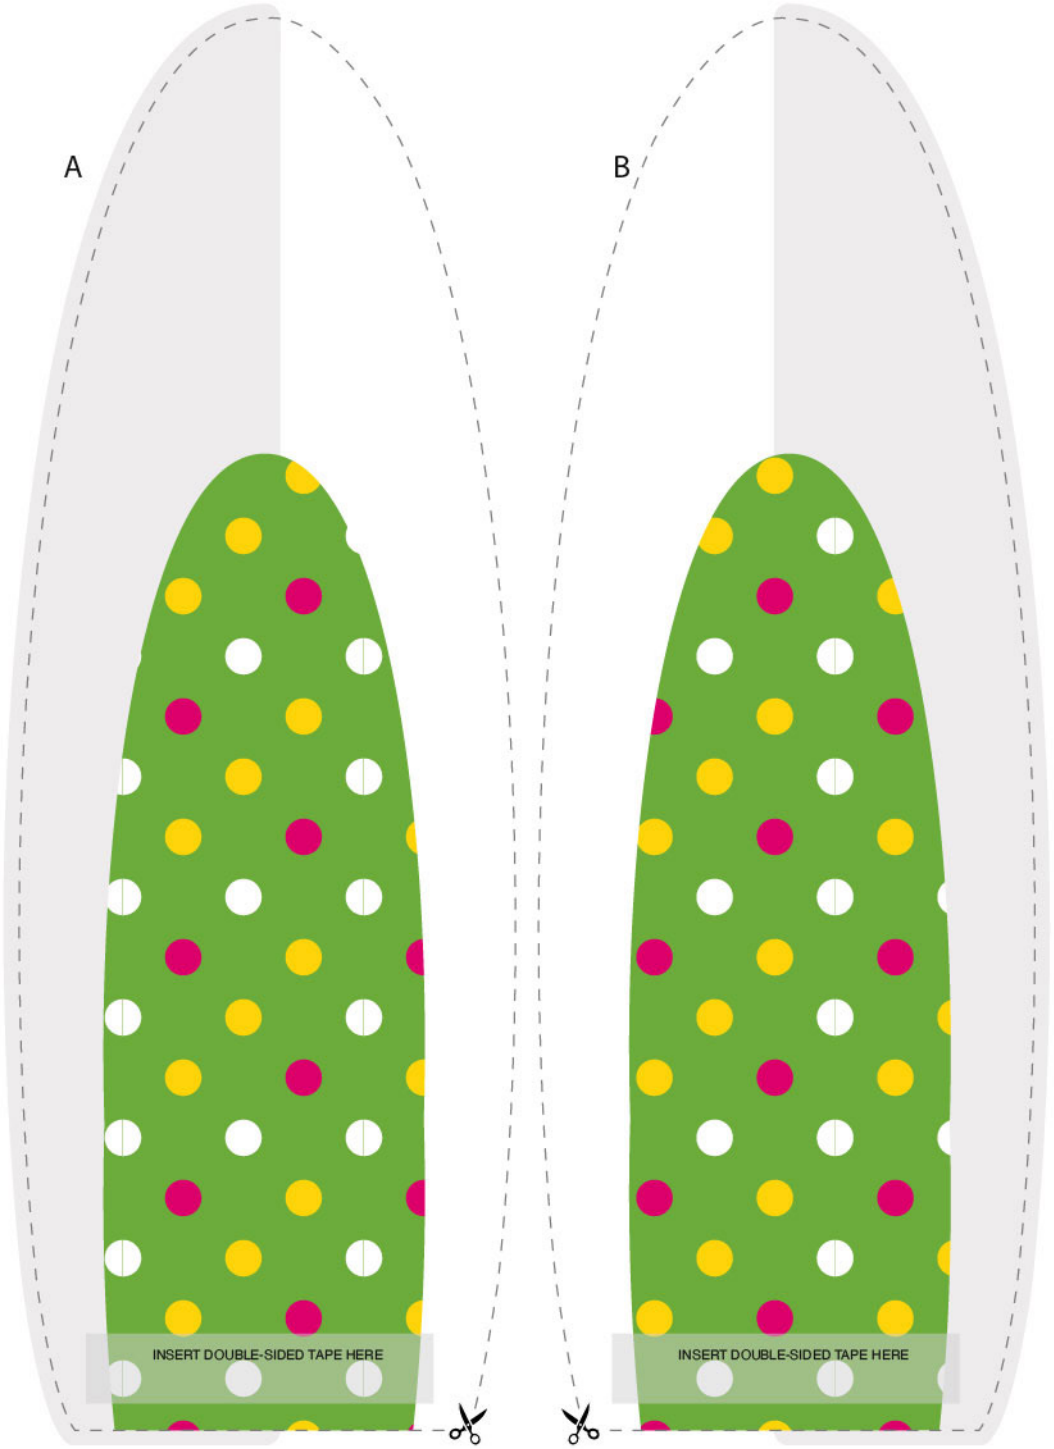

Step 6.
Place on somebunny's head for a hopping great Alice kinda day! If you use glue, make sure you let it dry before putting it on your head.

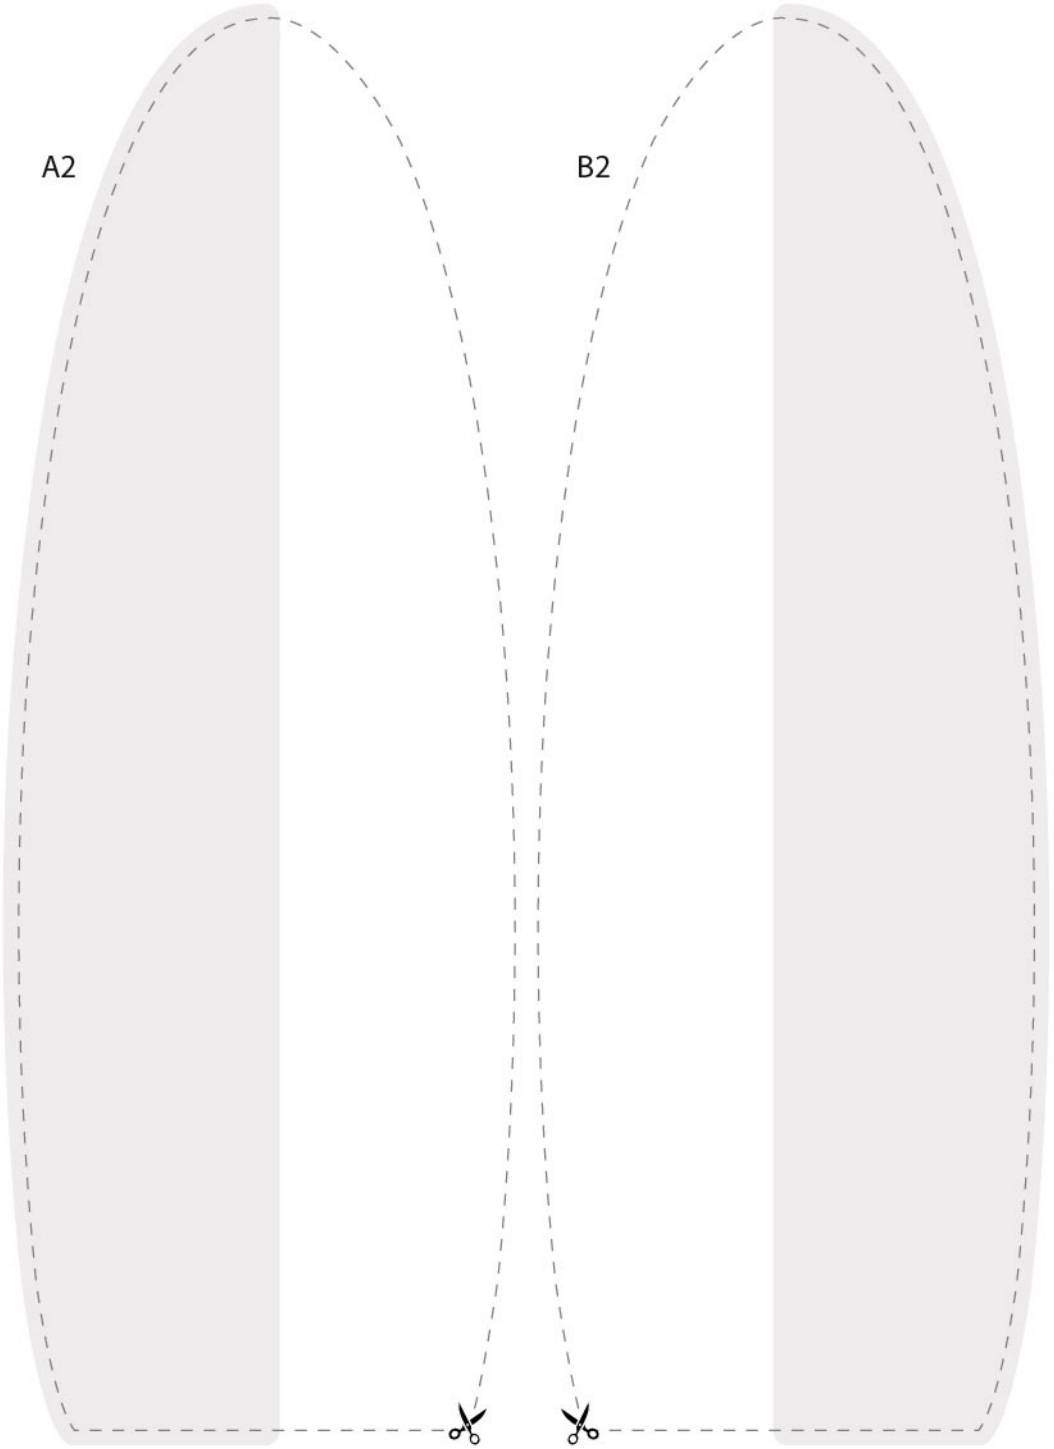

Step 2 and 3.
